KU Comment

This is Aoi Kujou. Thank you so much for purchasing my comics this time.
This book is a 5 chapter series about "Osamu and Keiji"! To be able to finally complete it (peacefully (Ha!)) I'm terribly happy.
It's been a long time since I started drawing this series, so you may mildly feel the difference in the artwork of this book. Hence, it'd be my greatest pleasure if you could have a good time enjoying this work despite all that... ♪

——I know it's become my line every time... That "If only I could draw a bit faster..." stuff. But I still have to say that during the time drawing this series, I've received a lot of help from my 3 managers in charge. The most ever... ＝ Thank you all very much. Many thanks to you too, Ash-san!

I'll keep counting on you guys from now on!
Also, I wish I could see all the dear readers who are now reading this book, again in the next work of mine.

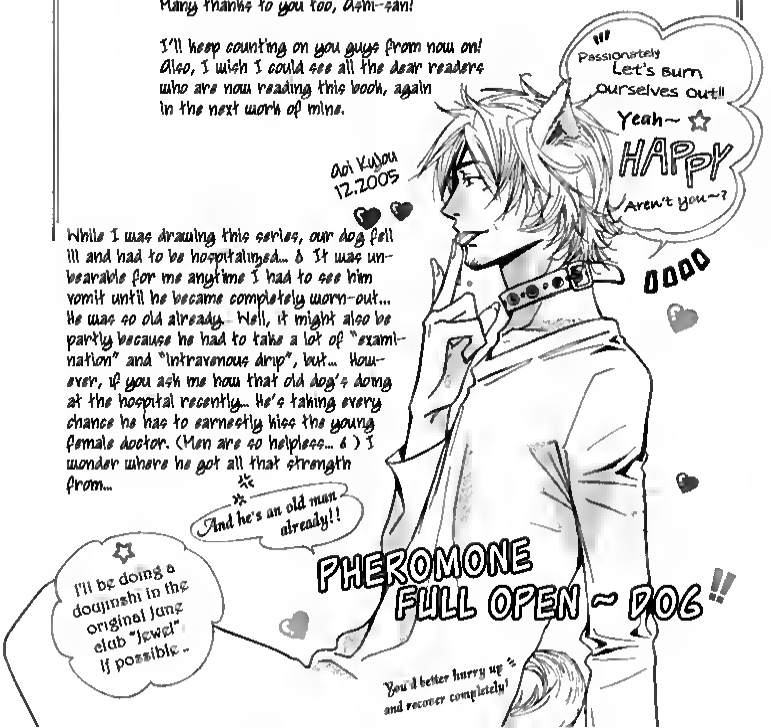
While I was drawing this series, our dog fell ill and had to be hospitalized... ♪ It was unbearable for me anytime I had to see him vomit until he became completely worn-out... He was so old already. Well, it might also be partly because he had to take a lot of "examination" and "intravenous drip", but... However, if you ask me how that old dog's doing at the hospital recently... He's taking every chance he has to earnestly kiss the young female doctor. (Men are so helpless... ♂) I wonder where he got all that strength from...



Passionately
Let's burn ourselves out!!
Yeah~ ☆
HAPPY
Aren't you~?
DDDD
And he's an old man already!!
PHEROMONE FULL OPEN ~ DOG!!
I'll be doing a doujinshi in the original fang club "Jewel" if possible...
You'd better hurry up & and recover completely!

Wakui is a senior staff in the company who looks out for Asano. The moment he saw the handsome Wakui's naked body, Asano's heat welled up within him. The pride of someone older, the seduction of it. The heated heart that desires to monopolize...the love that wants to be stripped bare. A fever that only happens once in a lifetime. A considerate seme who is a younger salary man. A series on sexual heat is published in this volume!
